EFFECTIVE DATE: 04/05/2017 COURT CASE #:

PERIOD OF REVIEW: TO

PERIOD COVERED: TO

TO: { Directors Of Field Operations, Port Directors }

FROM: { Director AD/CVD & Revenue Policy & Programs }

RE: Revocation of antidumping duty order, in part, on certain crystalline silicon photovoltaic products from the People's Republic of China (A-570-010)

1. As a result of a changed circumstances determination that producers accounting for substantially all of the production of the domestic like product to which this order pertains, lack interest in the relief provided by the order with respect to certain solar panels that are incorporated in a specific battery charging and maintaining unit, Commerce has revoked the antidumping duty order, in part with respect to the solar panels described below and published the revocation in the Federal Register on 04/05/2017 (82 FR 16573).

The partial revocation applies to solar panels that are:

(1) less than 300,000 mm² in surface area; (2) less than 27.1 watts in power; (3) coated across their entire surface with a polyurethane doming resin; and (4) joined to a battery charging and maintaining unit (which is an acrylonitrile butadiene styrene ("ABS") box that incorporates a light emitting diode ("LED")) by coated wires that include a connector to permit the incorporation of an extension cable. The battery charging and maintaining unit utilizes high-frequency triangular pulse waveforms designed to maintain and extend the life of batteries through the reduction of lead sulfate crystals. The above-described battery charging and maintaining unit is currently available under the registered trademark "SolarPulse."

2. Therefore, CBP is directed to terminate the suspension of liquidation for all shipments of the solar panels described in paragraph 1 above, entered, or withdrawn from warehouse, for consumption on or after 07/31/2014. All entries of the revoked product that were suspended on or after 07/31/2014 should be liquidated without regard to antidumping duties (i.e., refund all cash deposits).

3. Notice of the lifting of suspension of liquidation of entries of subject merchandise which are covered by paragraph 2 and entered, or withdrawn from warehouse, for consumption on or after 07/31/2014 occurred with the publication of the notice of revocation in the Federal Register 04/05/2017 (82 FR 16573).

4. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

5. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O4:MZ.)

6. There are no restrictions on the release of this information.
